Additional Information

Exam Security Policy

Prior to taking an HPE Certification and Learning exam, you will be presented with and must agree to the conditions presented in the HPE Candidate Agreement. Please note that using unauthorized certification-examination "study materials" from online vendors, brain-dumps, blogs test preparation Web sites violates your Candidate Agreement with HPE. Using these materials may result in the loss of your certification. If you feel you have obtained unauthorized material by mistake, you should not take this exam and report the situation to examsecurity@hpe.com.

Voluntary reporting of this information and support in determining how it was obtained will not result in loss of HPE certifications.

Please note: HPE reserves the right to adjust exam prices based on changes in currency.

Minimum Requirements for Web Based Exams:

Screen resolution equal to or greater than 1024 x 768
Flash version 9 or greater
Internet Explorer version 7 or greater
Firefox version 3 or greater

Zoom must be set to default (100%)

You are advised to turn off the popup blocker in your browser in order to avoid graphics display issues. If you have any third party pop blockers, those should be disabled as well.
