HP ExpertOne Networking, Servers, Storage, Wireless, Cloud, Converged Infrastructure and Security Certification Paths

HP ExpertOne Certification Paths Overview

Certification Path		Professional: HP AIS/ATP		Expert: HP ASE	Master: HP ASE
		Accredited Integration Specialist	Accredited Technical Professional	Accredited Solutions Expert	Master Accredited Solutions Expert
Servers	Server Administrator		HP ATP – Server Administrator V8	HP ASE – Advanced Server Administrator V8	
	Server Support		HP ATP – BladeSystem Solutions Support V8		
	Server Solutions Integrator – BladeSystem Servers		HP ATP – Rack and Tower Server Solutions Support V8		
	Server Solutions Integrator – ProLiant and Integrity Servers		HP ATP – BladeSystem Solutions Integrator V8.1	HP ASE – Server Solutions Integrator V8.1	
	Server Solutions Architect		HP ATP – Rack and Tower Server Solutions Integrator V8.1	HP ASE – Server Solutions Integrator V8.1	
	Server Solutions Architect			HP ASE – Server Solutions Architect V8	HP Master ASE – Superdome 2 Server Solutions Architect V1
Storage	Storage Integration			HP ASE – Storage Solutions Integrator V1	
	Storage Solutions Architect		HP ATP – Storage Solutions V1	HP ASE – Storage Solutions Architect V1	HP Master ASE – Storage Solutions Architect V1
Networking	Network Architect		HP ATP – FlexNetwork Solutions V1	HP ASE – Network Architect V1	
	Network Infrastructure	HP AIS – Network Infrastructure [2011]	HP ATP – FlexNetwork Solutions V1	HP ASE – Network Infrastructure [2011]	HP Master ASE – Network Infrastructure [2011]
	Wireless Networks		HP ATP – FlexNetwork Solutions V1	HP ASE – Wireless Networks Implementer V1	HP Master ASE – Wireless Networks Implementer V1
	SDN Application Developer			HP ASE – SDN Application Developer V1	
Data Center and Cloud	Cloud		HP ATP – Cloud Administrator V1	HP ASE – Cloud Integrator V1	HP Master ASE – Data Center and Cloud Architect V1
	Data Center and Cloud		HP ATP – Data Center and Cloud V1	HP ASE – Cloud Architect V2	
	Software for Cloud Management		HP ATP – Cloud Service Automation V3	HP ASE – Data Center and Cloud Architect V1	HP Master ASE – Data Center and Cloud Architect V1
	Converged Infrastructure Integrator	HP AIS – Converged Infrastructure Integration [2011]	HP ATP – Converged Infrastructure Integrator V1	HP ASE – Software for Cloud Management V1	HP Master ASE – Software for Cloud Management V1
	Converged Infrastructure Administrator		HP ATP – Converged Infrastructure Administrator V1		
	Converged Infrastructure Architect			HP ASE – Converged Infrastructure Architect V1	HP Master ASE – Data Center and Cloud Architect V1
Security	TippingPoint		HP ATP – TippingPoint Security v1	HP ASE – TippingPoint Security v1	
	TippingPoint Next Generation Firewall Security		HP ATP – TippingPoint Next Generation Firewall Security Products V1	HP ASE – TippingPoint Next Generation Firewall Security Products V1

HP ExpertOne Software Certification Paths

Certification Path		Professional: HP AIS/ATP		Expert: HP ASE	Master: HP MASE
		Accredited Integration Specialist	Accredited Technical Professional	Accredited Solutions Expert	Master Accredited Solutions Expert
Strategy, Planning and Governance	Executive Scorecard		HP ATP – ITPS Executive Scorecard v9		
	Project and Portfolio Management (PPM)	HP AIS – Project & Portfolio Management v9*		HP ASE – Project & Portfolio Management v9	
	Asset Manager		HP ATP – Asset Manager v9	HP ASE – Asset Manager Software Implementation v9	
Application Lifecycle Management	Application Lifecycle Management (ALM)	HP AIS – Application Lifecycle Management v11		HP ASE – Application Lifecycle Management Implementations v11	
	Functional Testing	HP AIS – Functional Testing v11		HP ASE – Functional Testing v11	
	Performance Testing	HP ATP – Performance Center v11			
		HP AIS – LoadRunner v11		HP ASE – LoadRunner v11	
Service Automation	Server Automation	HP AIS – Server Automation v9		HP ASE – Server Automation v9	
	Network Automation	HP AIS – Network Automation v9			
	Operations Orchestration	HP AIS – HP Operations Orchestration v9		HP ASE – Operations Orchestration v9	
	Client Automation		ATP Client Automation v8		
	Storage Essentials		HP ATP – Storage Essentials v9		
	Software for Cloud Management		HP ATP – Cloud Service Automation V3	HP ASE – Software for Cloud Management V1	HP Master ASE – Software for Cloud Management V1
Service Delivery	Universal Configuration Management Database (UCMDB)	HP ATP–Configuration Management System (CMS) v10		HP ASE – Universal CMDB Implementations v9	
	Service Manager (SM)	HP AIS – Service Manager v9		HP ASE – HP Service Manager Software Implementation v9	
Service Assurance	Business Service Management (BSM) Operations Manager (OM)	HP AIS – BSM Operations Manager For Windows v9		HP ASE – BSM Operations Manager for Linux/UNIX Implementations v9	
		HP AIS – BSM Operations Manager For UNIX and Linux v9			
	BSM End User Management (EUM)	HP AIS – BSM Platform and End User Management v9		HP ASE – Business Service Management v9	
	BSM Operations Management i (OMi)	HP AIS – BSM Operations Manager i v9			
	SiteScope	HP AIS – SiteScope v11			
	BSM Network Node Manager i (NNMi)	HP AIS – BSM Network Node Manager i v9			
Information Management	Total Records Information Management (TRIM)	HP AIS – TRIM v7			
	Data Protector		HP ATP - Data Protector Software v7		
	Vertica		HP ATP - Vertica Big Data Solutions V1	HP ASE - Vertica Big Data Solutions V1	
	Autonomy		HP ATP - HP Autonomy TeamSite System Administrator V1

HP ExpertOne Server Administrator Certification Path

HP ATP – Server Administrator V8

More information about this certification

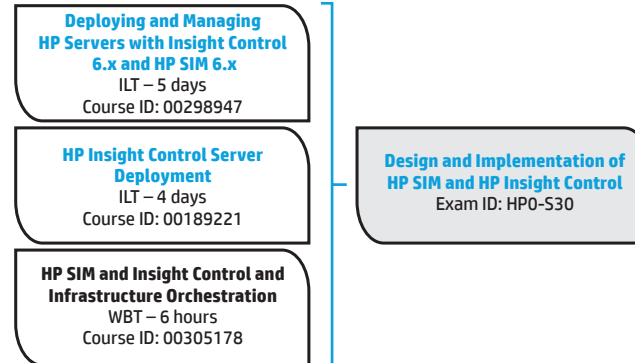

Prerequisites: None

HP ASE – Advanced Server Administrator V8

More information about this certification

Prerequisites: HP ATP – Server Administrator V8

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Server Support Certification Path

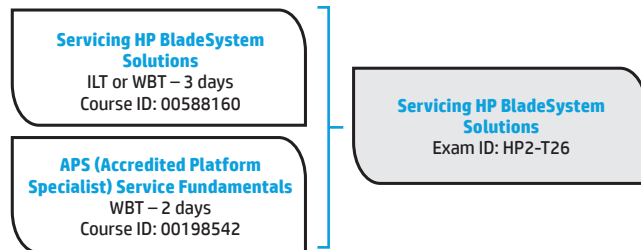

HP ATP – BladeSystem Solutions Support V8

More information about this certification

Prerequisites:

- CompTIA Server+ certification
- or
- Pass exam HP2-T16: [Industry Standard Architecture and Technology](#)

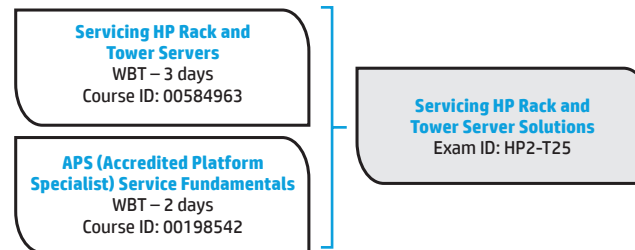

HP ATP – Rack and Tower Server Solutions Support V8

More information about this certification

Prerequisites:

- CompTIA Server+ certification
- or
- Pass exam HP2-T16: [Industry Standard Architecture and Technology](#)

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

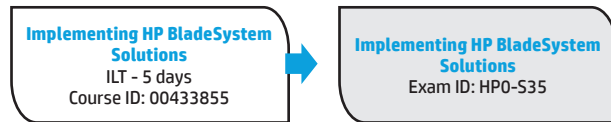

HP ExpertOne Server Solutions Integrator— BladeSystem Servers Certification Path

HP ATP – BladeSystem Solutions Integrator V8.1

[More information about this certification](#)

Prerequisites: None

HP ASE – Server Solutions Integrator V8.1

[More information about this certification](#)

Prerequisites:

Prerequisite #1

Complete any **ONE** of the following prerequisites:

- HP ATP - BladeSystem Solutions Integrator V8.1
- HP ATP - Rack and Tower Server Solutions Integrator V8.1

Prerequisite #2 – Networking

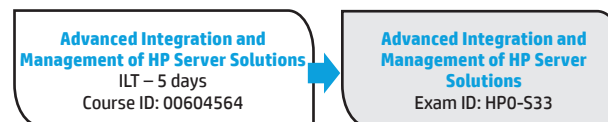

Complete any **ONE** of the following prerequisites:

- HP AIS - Network Infrastructure [2011]
- Pass exam HP0-S32: [HP BladeSystem Networking](#)
- [Other third-party options](#) (click on Review and complete prerequisites link)

Prerequisite #3 – Servers

Complete any **ONE** of the following prerequisites:

- Pass exam HP2-T16: [Industry Standard Architecture and Technology](#)
- [CompTIA Server+ certification](#)

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

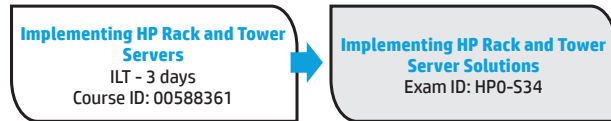

HP ExpertOne Server Solutions Integrator – ProLiant and Integrity Servers Certification Path

HP ATP – Rack and Tower Server Solutions Integrator V8.1

More information about this certification

Prerequisites: None

HP ASE – Server Solutions Integrator V8.1

More information about this certification

Prerequisites:

Prerequisite #1

Complete any **ONE** of the following prerequisites:

- HP ATP - BladeSystem Solutions Integrator V8.1
- HP ATP - Rack and Tower Server Solutions Integrator V8.1

Prerequisite #2 – Networking

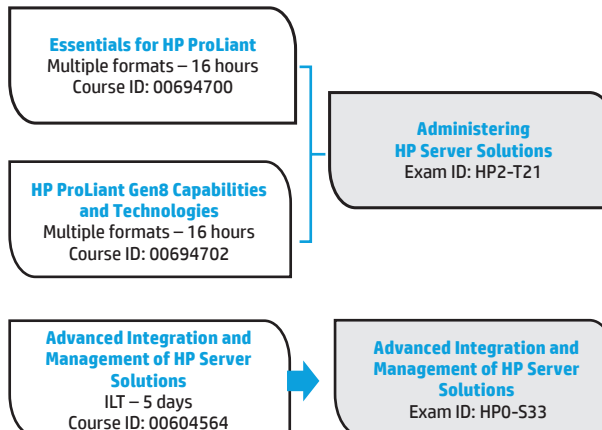

Complete any **ONE** of the following prerequisites:

- HP AIS - Network Infrastructure [2011]
- Pass exam HP0-S32: [HP BladeSystem Networking](#)
- [Other third-party options](#) (click on Review and complete prerequisites link)

Prerequisite #3 – Servers

Complete any **ONE** of the following prerequisites:

- Pass exam HP2-T16: [Industry Standard Architecture and Technology](#)
- [CompTIA Server+ certification](#)

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Server Solutions Architect Certification Path

HP ASE – Server Solutions Architect V8

More information about this certification

Prerequisites:

Complete any **ONE** of the following prerequisites:

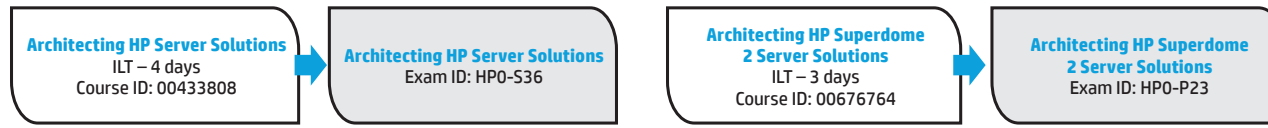

- Pass exam HP0-D13: [Technical Introduction to the HP Enterprise Portfolio](#)
- Pass exam HP2-T24: [Introduction to the HP Server Portfolio](#)

HP Master ASE – Superdome 2 Server Solutions Architect V1

More information about this certification

Prerequisites: HP ASE – Server Solutions Architect V8

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

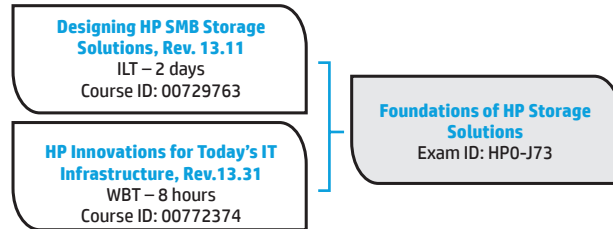

HP ExpertOne Storage Integration Certification Path

HP ATP – Storage Solutions V1

More information about this certification

Prerequisites: None

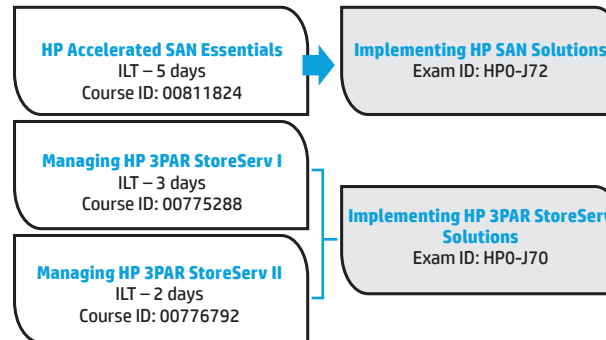

HP ASE – Storage Solutions Integrator V1

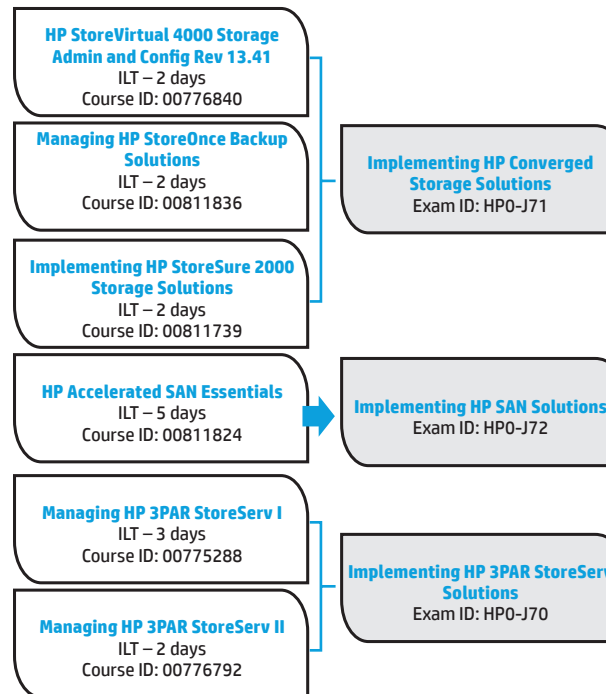

More information about this certification

Prerequisites: HP AIS – StorageWorks Integration [2011]
OR HP ATP – Storage Solutions V1

Recommended training and exams if you have HP AIS – Storage Works Integration [2011]:

Recommended training and exams if you have HP ATP – Storage Solutions V1:

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

Note: [Learn more about Upgrade Paths/Fast Tracks](#)

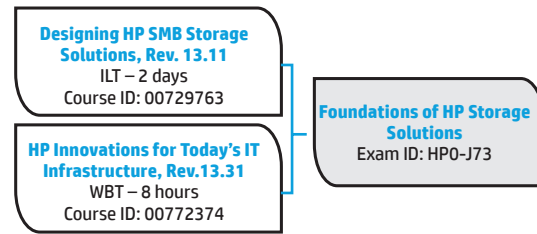

HP ExpertOne Storage Solutions Architect Certification Path

HP ATP – Storage Solutions V1

More information about this certification

Prerequisites: None

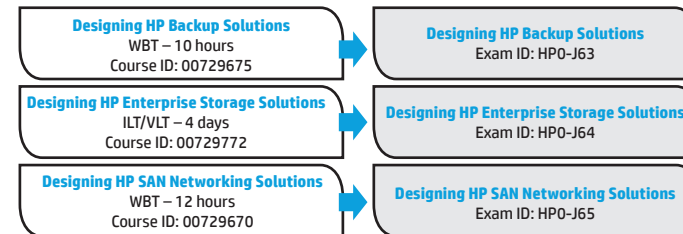

HP ASE – Storage Solutions Architect V1

More information about this certification

Prerequisites:

- HP Storage Solutions Foundation Exam (HPO-J62) OR
- HP ATP – Storage Solutions V1 OR
- HP AIS - StorageWorks Integration [2011] OR
- HP APC – StorageWorks Solutions Architect [2011]

Recommended training and exams if you have HP ATP – Storage Solutions V1, HP AIS – StorageWorks Integration [2011] or have completed Storage Solutions Exam :

HP Master ASE – Storage Solutions Architect V1

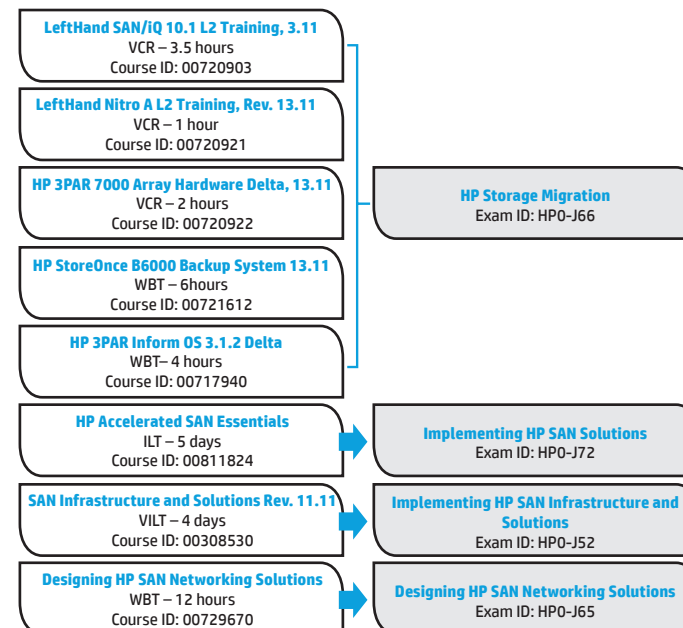

More information about this certification

Prerequisites:

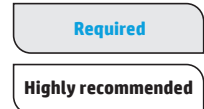

HP ASE – Storage Solutions Architect V1

Recommended training and exams if you have HP APC – StorageWorks Solutions Architect [2011]:

ILT = Instructor-led training
 VILT = Virtual instructor-led training
 WBT = Web-based training

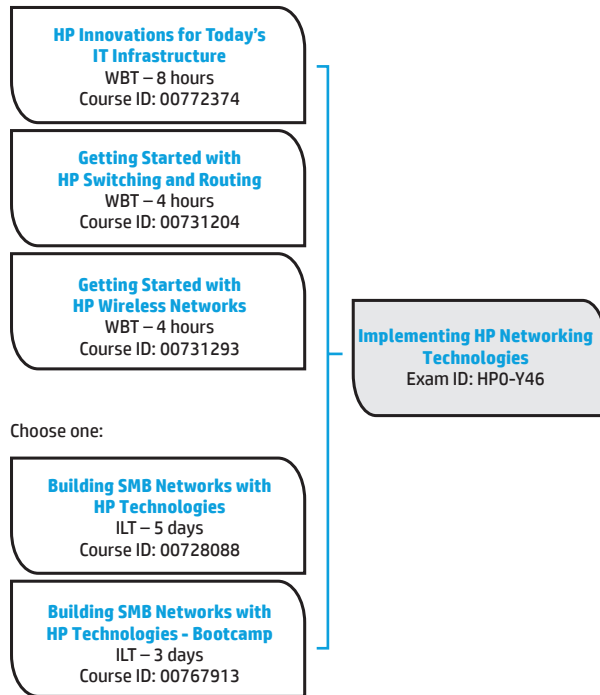

HP ExpertOne Network Architect Certification Path

HP ATP – FlexNetwork Solutions V1

More information about this certification

Prerequisites: None

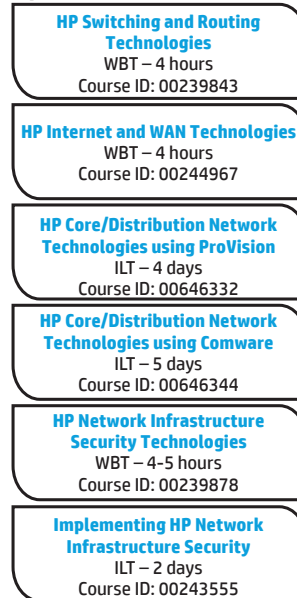

HP ASE – Network Architect V1

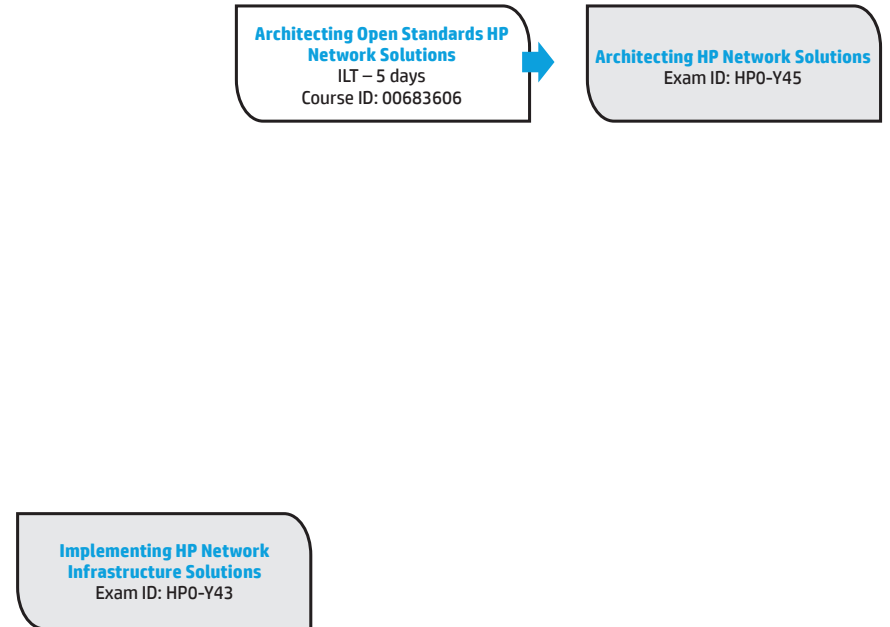

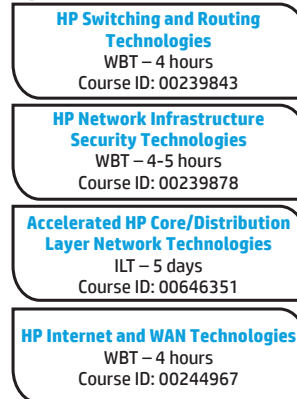

More information about this certification

Prerequisites: AIS – Network Infrastructure [2011]

Option 1

Option 2

Note: Some ILT courses are offered in an accelerated delivery (learn more about Upgrade Paths/Fast Tracks).

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

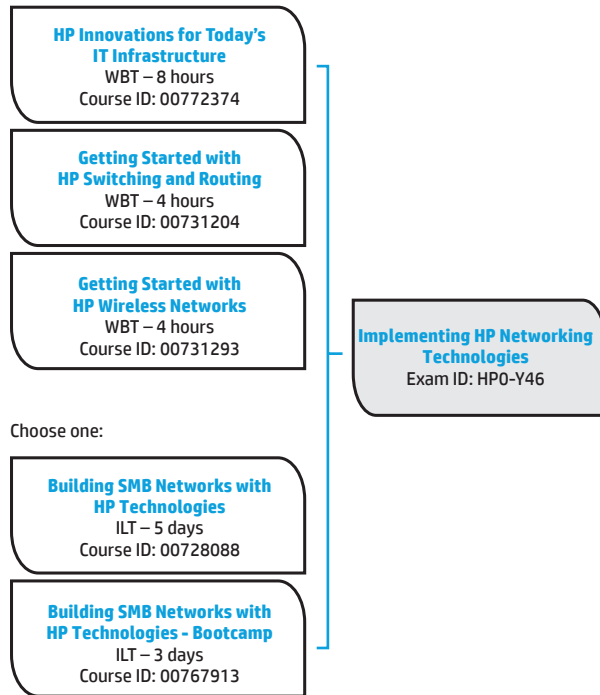

HP ExpertOne Network Infrastructure Certification Path

HP ATP – FlexNetwork Solutions V1

More information about this certification

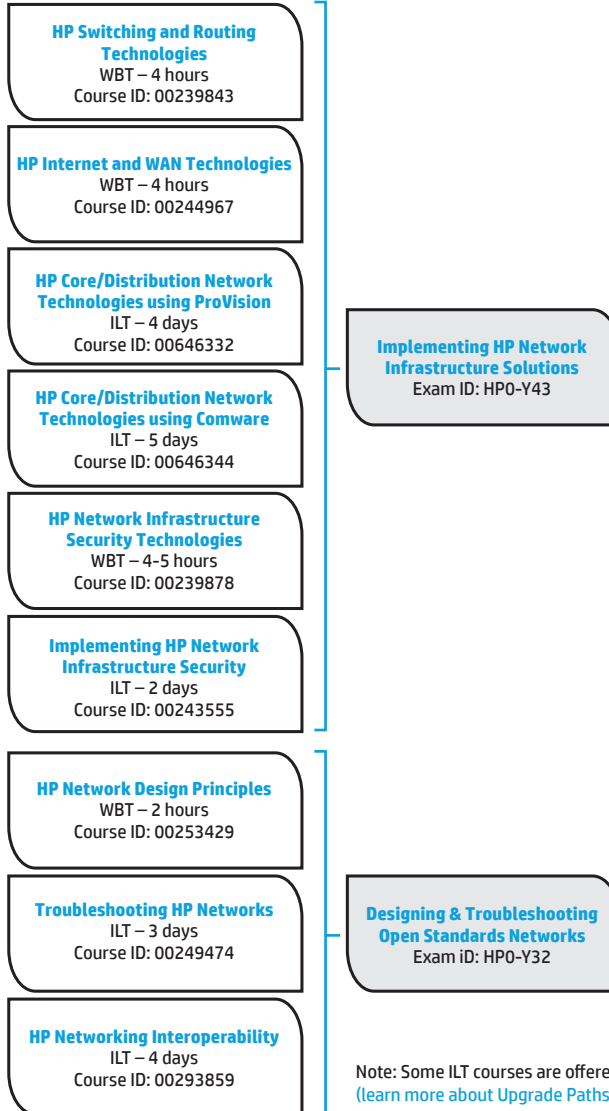

Prerequisites: None

HP ASE – Network Infrastructure [2011]

More information about this certification

Prerequisites: AIS – Network Infrastructure [2011]

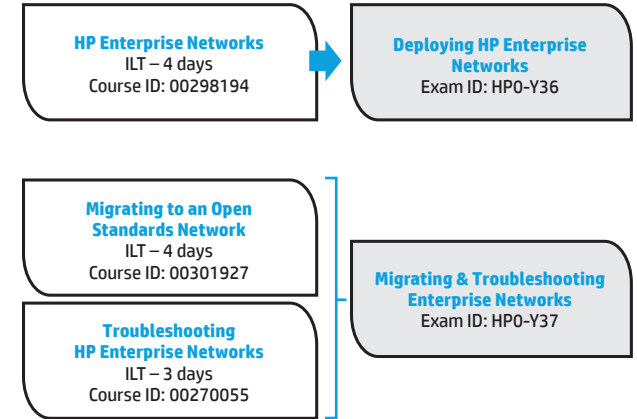

Note: Some ILT courses are offered in an accelerated delivery (learn more about Upgrade Paths/Fast Tracks).

HP Master ASE – Network Infrastructure [2011]

More information about this certification

Prerequisites: ASE – Network Infrastructure [2011]

Note: Some ILT courses are offered in an accelerated delivery (learn more about Upgrade Paths/Fast Tracks).

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

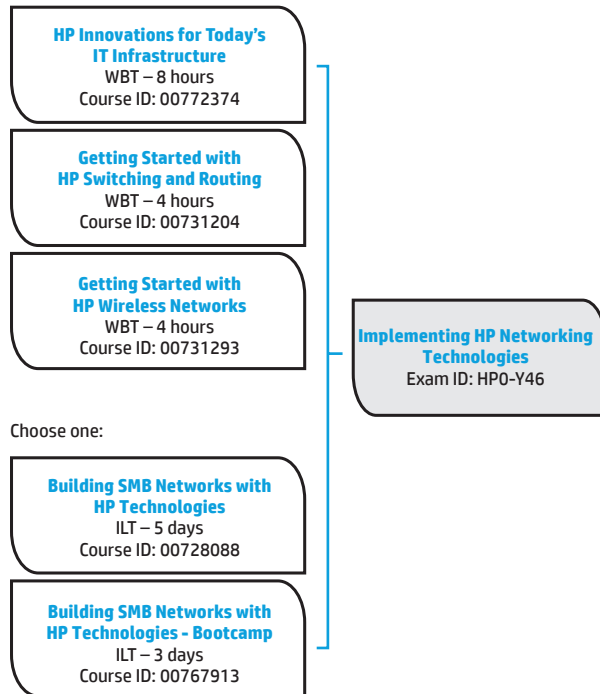

HP ExpertOne Wireless Networks Certification Path

HP ATP – FlexNetwork Solutions V1

More information about this certification

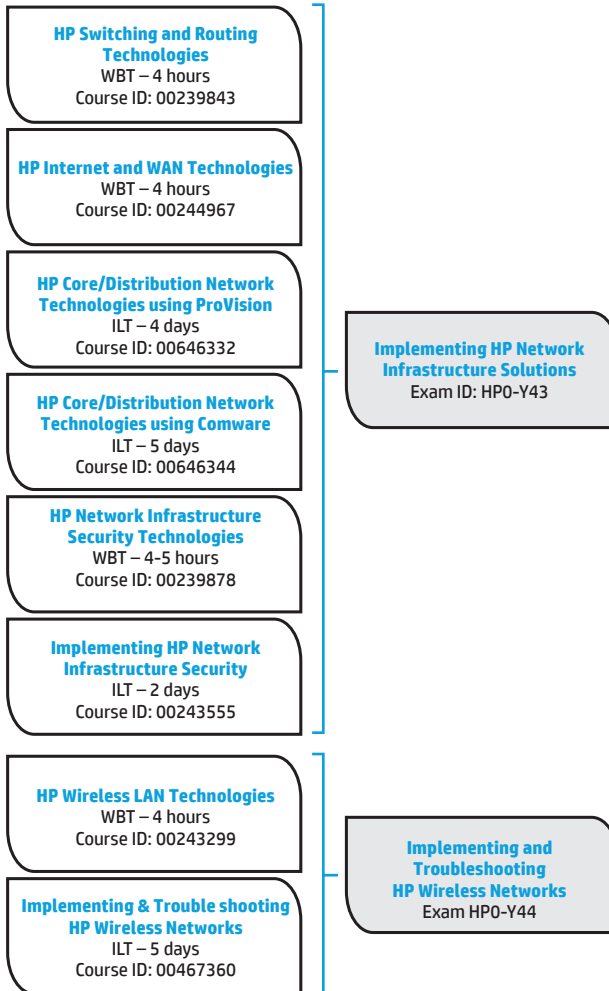

Prerequisites: None

HP ASE – Wireless Networks Implementer V1

More information about this certification

Prerequisites: AIS – Network Infrastructure [2011]

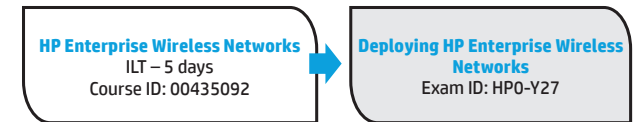

Note: [Learn more about Upgrade Paths/Fast Tracks](#)

HP Master ASE – Wireless Networks Implementer V1

More information about this certification

Prerequisites: Complete any ONE of the following prerequisites:

- ASE – Wireless Networks [2011]
- ASE – Wireless Networks Implementer V1

Note: [Learn more about Upgrade Paths/Fast Tracks](#)

ILT = Instructor-led training
 VILT = Virtual instructor-led training
 WBT = Web-based training

Required

Highly recommended

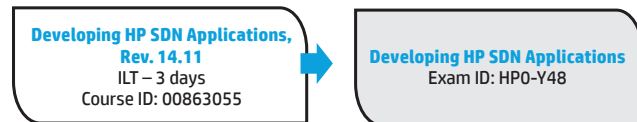

HP ExpertOne SDN Application Developer Certification Path

HP ASE – SDN Application Developer V1

[More information about this certification](#)

Prerequisites: None

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Cloud Certification Path

HP ATP – Cloud Administrator V1

More information about this certification

Prerequisites: None

HP ASE – Cloud Integrator V1

More information about this certification

Prerequisites:

- HP ATP – Cloud Administrator V1
- And one of the following certifications:
- HP ATP – Converged Infrastructure Integrator V1
- or
- HP AIS – Converged Infrastructure Integration [2011]

HP ASE – Cloud Architect V2

More information about this certification

Prerequisites:

- Complete any ONE of the following
- HP ATP - Cloud Administrator
- or
- pass exam [HPO-S32: HP BladeSystem Networking](#)

Successfully passed Exam HPO-S32:

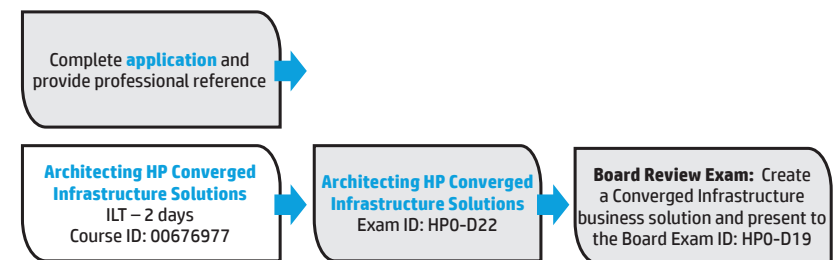

HP Master ASE – Data Center and Cloud Architect V1

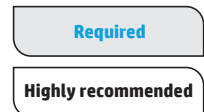

More information about this certification

Prerequisites: None

Skills and knowledge requirements:
[Appendix A: Learning and experience path](#)

ILT = Instructor-led training
 VILT = Virtual instructor-led training
 WBT = Web-based training

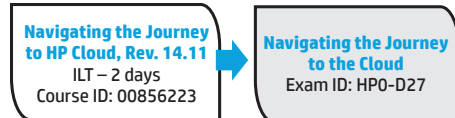

HP ExpertOne Data Center and Cloud Certification Path

HP ATP – Data Center and Cloud V1

More information about this certification

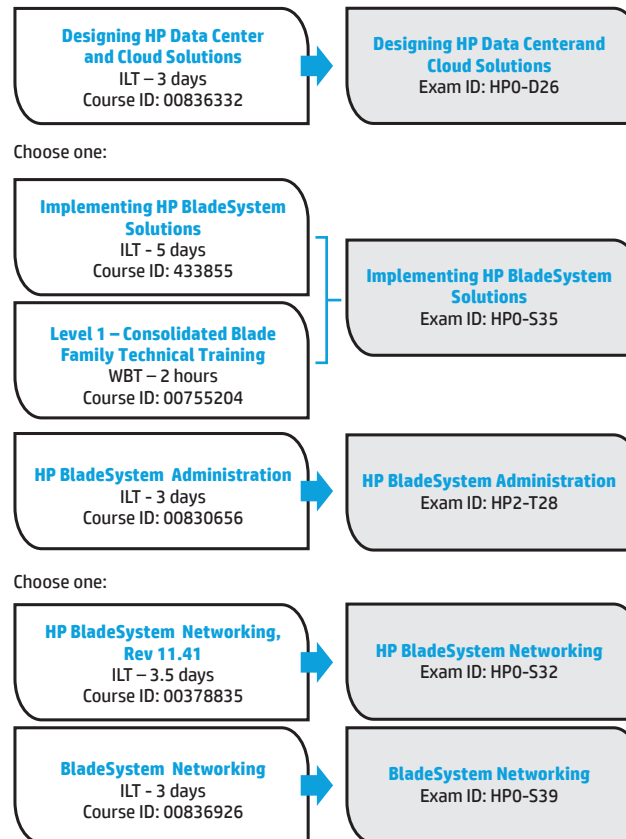

Prerequisites: None

HP ASE – Data Center and Cloud Architect V1

More information about this certification

Prerequisites: HP ATP – Data Center and Cloud V1

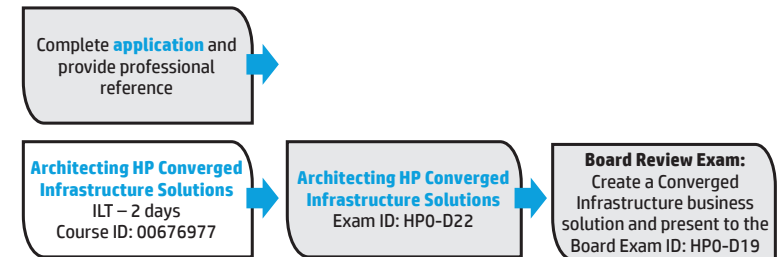

HP Master ASE – Data Center and Cloud Architect V1

More information about this certification

Prerequisites: None

Skills and knowledge requirements:
Appendix A: Learning and experience path

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

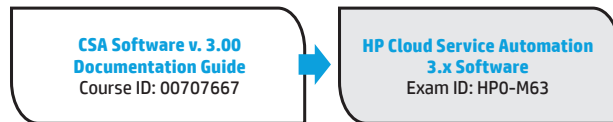

HP ExpertOne Software for Cloud Management Certification Path

HP ATP – Cloud Service Automation V3

More information about this certification

Prerequisites: None

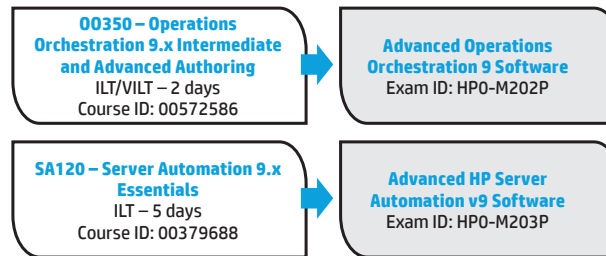

HP ASE – Software for Cloud Management V1

More information about this certification

Prerequisites: HP ATP – Cloud Service Automation v3

Complete **ONE** of the following:

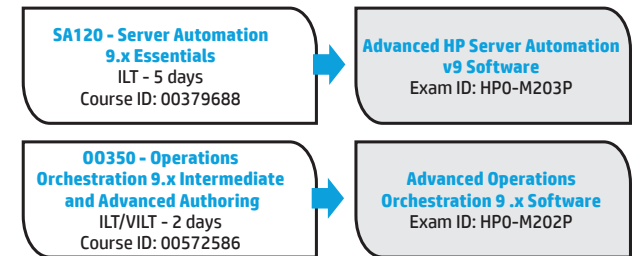

HP Master ASE – Software for Cloud Management V1

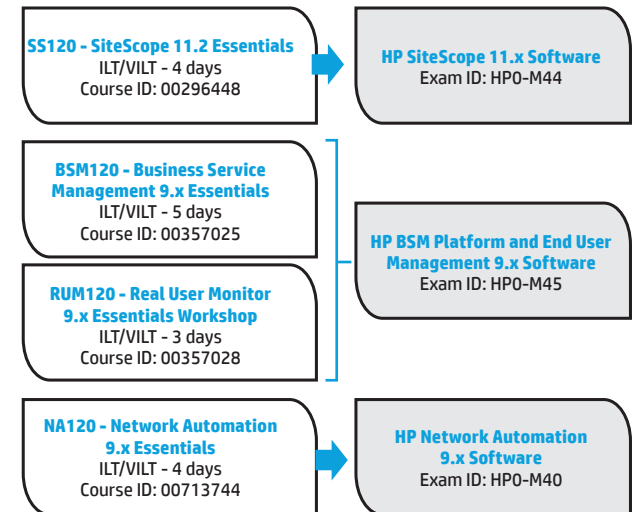

More information about this certification

Prerequisites: HP ASE – Software for Cloud Management V1

Complete **TWO** of the following:

Complete **ONE** of the following:

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Converged Infrastructure Integrator Certification Path

HP AIS – Converged Infrastructure Integration [2011]

More information about this certification

Prerequisites:

1. CompTIA Server+ certification
or
Exam HP2-T16: Industry Standard Architecture and Technology
2. HP CSA – Converged Infrastructure Administration [2011] or HP ATP - Converged Infrastructure Administrator V1
3. Exam HP0-S31: Managing Windows and Linux Server Systems
4. HP ASE – Network Infrastructure [2011]
or
Exam HP0-S32: HP BladeSystem Networking

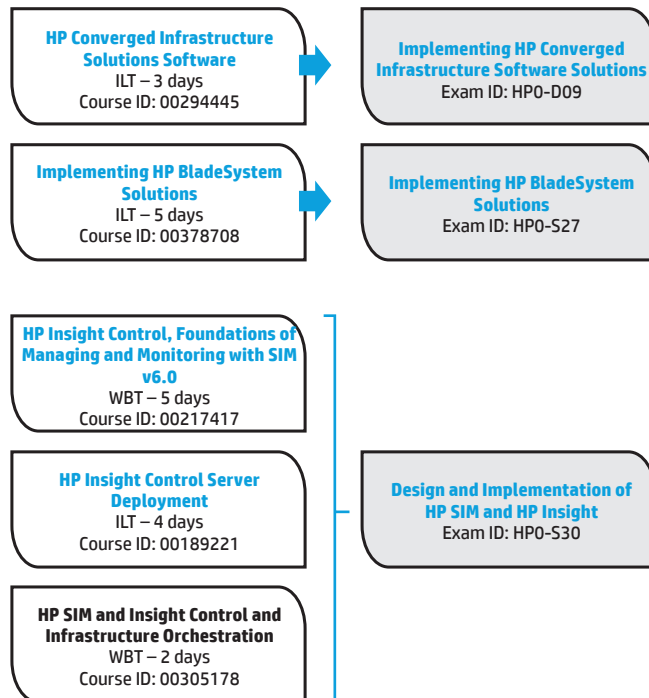

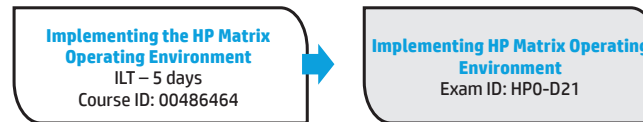

HP ATP – Converged Infrastructure Integrator V1

More information about this certification

Prerequisites:

- HP AIS – BladeSystem Solutions [2010]
or HP ATP – BladeSystem Solutions Integrator V8
- HP CSA – Converged Infrastructure Administration [2011]
or HP ATP – Converged Infrastructure Administrator V1

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

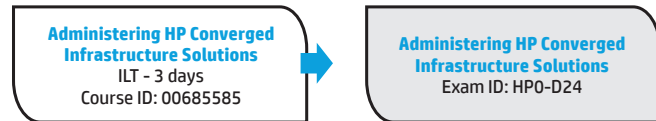

HP ExpertOne Converged Infrastructure Administrator Certification Path

HP ATP – Converged Infrastructure Administrator V1

[More information about this certification](#)

Prerequisites: None

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Converged Infrastructure Architect Certification Path

HP ASE – Converged Infrastructure Architect V1

More information about this certification

Prerequisites: HP CSA – Converged Infrastructure Administration (2011) or HP ATP - Converged Infrastructure Administrator V1

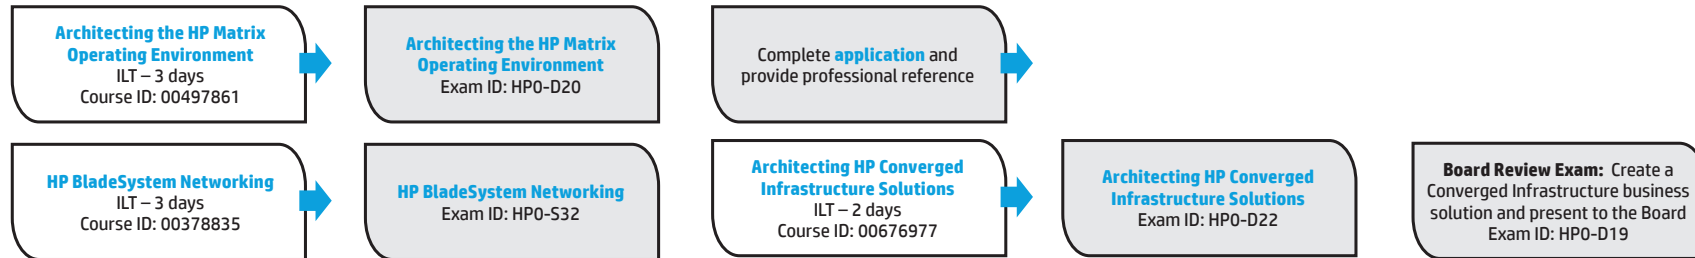

HP Master ASE – Data Center and Cloud Architect V1

More information about this certification

Prerequisites: None

Skills and knowledge requirements: Appendix A: Learning and experience path

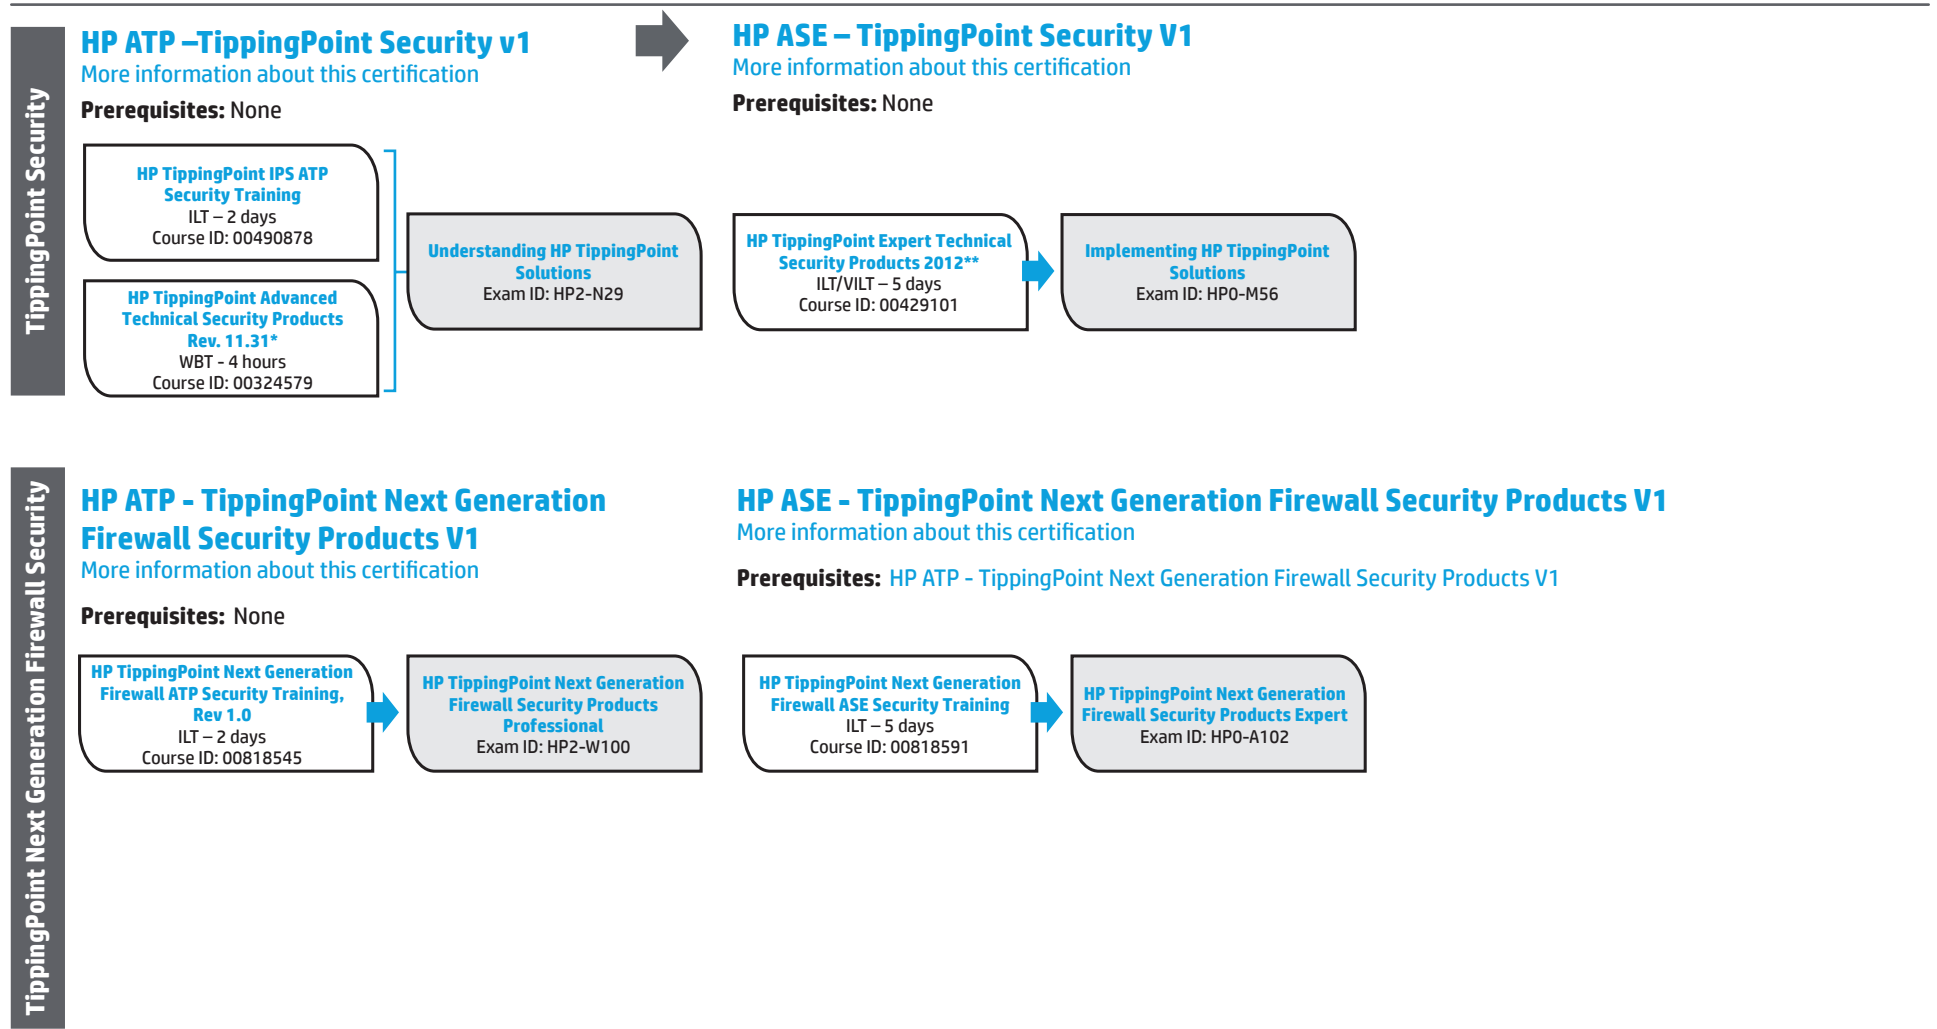

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Security Certification Path

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

* "HP TippingPoint IPS ATP Security Training" is replacing the "HP TippingPoint Advanced Technical Security Products" training
** "HP TippingPoint IPS ASE Security Training" is the new training name replacing the "HP TippingPoint Expert Technical Security Products 2012" training

HP ExpertOne Software Certification Paths

Executive Scorecard

HP ATP – ITPS Executive Scorecard v9

More information about this certification

Prerequisites: None

XSD120 – Executive Scorecard 9.x Essentials
ILT/VILT – 2 days
Course ID: 00657764

XSD350 – Executive Scorecard 9.x Administration
ILT/VILT – 2 days
Course ID: 00713754

HP ITPS Executive Scorecard 9.x Software
Exam ID: HPO-M60

Project and Portfolio Management

HP AIS – Project and Portfolio Management v9

More information about this certification

Prerequisites: None

PPM120 – PPM Center 9.x Essentials Training
ILT/VILT – 4 days
Course ID: 00429075

PPM350 – PPM Center 9.x Advanced Training
ILT/VILT – 4 days
Course ID: 00429072

HP Project and Portfolio Management Center 9.x Software
Exam ID: HPO-M57

HP ASE – Project and Portfolio Management v9

More information about this certification

Prerequisites: HP AIS - Project & Portfolio Management v9

PPM340 – PPM Center 9.x Deployment Management Training
ILT/VILT – 1 day
Course ID: 00572761

PPM350 – PPM Center 9.x Advanced Training
ILT/VILT – 4 days
Course ID: 00429072

Advanced Project and Portfolio Management 9.x Software
Exam ID: HPO-M201P

Asset Manager

HP ATP – Asset Manager v9

More information about this certification

Prerequisites: None

AM120 – Asset Manager 9.x Software: Essentials
ILT/VILT – 5 days
Course ID: 00365073

HP Asset Manager 9.x Software
Exam ID: HPO-M59

HP ASE – Asset Manager Software Implementation v9

More information about this certification

Prerequisites: None

AM120 – Asset Manager 9.x Software: Essentials
ILT/VILT – 5 days
Course ID: 00365073

Asset Manager 9 Implementation
Exam ID: HPO-M96

ILT = Instructor-led training
VILT = Virtual instructor-led training
WBT = Web-based training

Required

Highly recommended

HP ExpertOne Software Certification Paths Application Lifecycle Management (ALM)

Application Lifecycle Management

HP AIS – Application Lifecycle Management v11

More information about this certification

Prerequisites: None

**QC120 – Quality Center
11.0 Essentials**
ILT/VILT – 4 days
Course ID: 00349304

**HP Application Lifecycle
Management 11.x Software**
Exam ID: HPO-M46

HP ASE – Application Lifecycle Management Implementations v11

More information about this certification

Prerequisites: None

**QC350 – Quality Center 11.0 Site
Administration**
ILT/VILT – 2 days
Course ID: 00404346

**QC360 – Using the ALM 11.x
Edition**
ILT/VILT – 1 day
Course ID: 00404357

**Advanced ALM Quality
Center 11 Software**
Exam ID: HPO-M97

Functional Testing

HP AIS – Functional Testing v11

More information about this certification

Prerequisites: None

**QTP120 – QuickTest
Professional/Functional
Testing 11.0 Essentials**
ILT/VILT – 5 days
Course ID: 00404665

**HP Functional Testing
11.x Software**
Exam ID: HPO-M47

HP ASE – Functional Testing v11

More information about this certification

Prerequisites: None

**QTP120 – QuickTest
Professional/Functional
Testing 11.0 Essentials**
ILT/VILT – 5 days
Course ID: 00404665

**BPT120 – Business Process
Testing 11.0 Essentials**
ILT/VILT – 3 days
Course ID: 00404666

**Advanced Scripting using
QuickTest
Professional 11 Software**
Exam ID: HPO-M98

ILT = Instructor-led training
VILT = Virtual instructor-led
training
WBT = Web-based training

Required
