If Search is not an option on the Tools menu, please exit this application and install Adobe Acrobat Reader with Search from this CD (double-click on rs32e301.exe from Windows Explorer).

Navigation

Navigate through the book by clicking on the headings that appear in the left pane; the corresponding page from the book displays in the right pane.

Search

To search, click the Search Query button  on the toolbar or choose Tools ► Search ► Query to open the Search window. In the Adobe Acrobat Search dialog's text field, type the text you want to find and click Search.

Use the Search Next button  (*Control+U*) and Search Previous button  (*Control+Y*) to go to other matches in the book. The Search command also has powerful tools for limiting and expanding the definition of the term you are searching for. Refer to Acrobat's online Help (Help ► Plug-In Help ► Using Acrobat Search) for more information.
