hp invent ®

HP Order Number	361782666
License Number	UUDYHJJT349G
Date Certificate Issued	04-Jul-07
Product Number	B9007AAEVAL
Product Description	HP C/aC++ Developer's Bundle Eval

Your use of the software product specified above ("Software") is subject to the terms contained herein and the HP's Software License Terms you must agree to before you download and use the Software. Using the Software indicates that you accept the following terms, and HP's Software License Terms.

You are granted a temporary, non-exclusive, non-transferable internal license to evaluate the Software for 60 days from the date specified above.

Further rights and restrictions on the use, transfer, copying, and ownership of the Software, and other provisions and limitations governing the use of Software, are set forth in HP's Software License Terms. The express licensing rights set out above will prevail over any inconsistent terms in HP's Software License Terms.
